

## 6W Newsletter Term 1, 2020

Hello everyone and welcome back for what promises to be another busy but exciting school year. While I will have already met many of you, for those I haven't, I would like to begin by taking this opportunity to introduce myself.

My name is Mal Wheeler and I am 6W's classroom teacher and also the Stage 3 Assistant Principal. I have been fortunate to have taught in a number of North Coast schools over the past 17 years, as well as 2 years teaching in England. I have been part of the team at Wyrallah Road since the beginning of 2014 and am proud to be part of such a talented and dedicated staff.

A cornerstone of my teaching philosophy is my desire to get children passionate about learning. I strive to excite children about the world around them and ignite in them a desire to want to know more. I have high expectations of all my students and will do my utmost to ensure they achieve their best.

When I am not working, I enjoy pretty simple things: travelling when I can, a spot of fishing or just mucking about in the shed.

I look forward to meeting you all over the coming weeks.

Please find attached a comprehensive list of information to provide you with all you will need to know about the routines and organisation of Stage 3.

**We will be holding a parent 'Meet and Greet' afternoon on Tuesday, 4 February at 3:30pm** where you will have the opportunity to pop in to your child's classroom and ask any questions you may have. If this time doesn't suit you please don't hesitate to make an appointment. I look forward to meeting you over the next few weeks!
