

3/4H Class Newsletter Term 1, 2019

Welcome to 3/4H and the start of a new school year! We give an especially warm welcome to the Year Three students who have moved up to Stage Two, joining Years 3-6 in the lower playground at recess and lunchtime. We are looking forward to the stimulating learning experiences that we have planned for 2019, and kick-start the year with a dynamic integrated unit called 'Heroes and villains'.

3/4H is fortunate to have two teachers this year: Mrs Glendinning will be teaching the class on Mondays, Tuesdays and Wednesdays, and Miss Haworth will be teaching the class on Thursday and Fridays. We have both had experience teaching in class-share situations and understand the benefits of having two committed teachers for the students in our class. We understand how important communication is with each other, with the students and with the parents/carers. We will share the teaching of English, Mathematics and the Integrated Unit Curriculum.

Simone Glendinning grew up in Sydney and has spent a number of years extending her Primary Education qualifications at the University of Wollongong, specialising in Special Education and Information Communication Technologies. She has taught for 14 years in both public and private schools, and loves the creative and inquisitive nature of children. Simone lives in Lismore, and is married with three daughters. She loves spending time at the beach, travelling to new places, going to art galleries, the theatre and the movies. She is excited to be teaching Stage 2 this year.

Sigrid Haworth grew up locally in the Keerong Valley and recently returned to this beautiful part of the world, after spending many years working and studying in Sydney. She completed a Masters of Teaching degree through the University of New England in 2016. Sigrid believes that through quality teaching, educators can give children a lifelong love of learning that helps them develop into resilient, independent and self-confident adults. She loves to keep active and spend most of her spare time in the great outdoors with her family. Some of her favourite past times include soccer, swimming, gardening, fishing and camping.

Please find attached a comprehensive list of information to provide you with all you will need to know about the routines and organisation of Stage 2.

We recognise that every child is a unique individual and begins school with varying social, emotional and learning needs.</p> <ul style="list-style-type: none"> • If you need to get a message to me during the day, please ring the office. My day can become very busy and I don't always check my emails until after the school day. If you have a non-urgent message, I can be contacted via the office or email. I will only be corresponding during business hours, which are 8:30 to 4:30 weekdays. • If you would like to organise a time to have a chat with any of the teachers, please ring or email to make an appointment. • There will be times that we may contact you via phone or email. We like to contact parents to share wonderful learning moments, if we have any concerns or need to clarify any confusions regarding your child. We also may contact parents to discuss areas that may need some extra attention and a collaborative approach. • Our school has an excellent website and Facebook page, which highlights many exciting things that happen at our school.
