Welcome back to school for Term 3! I hope everyone has had a relaxing and fun-filled holiday and are ready for learning. It is wonderful to see so many smiling faces returning to school ready to take on new and exciting challenges. This term the students of WRPS will be busy preparing for their special performances to be showcased at our school concert in September, at the Lismore Workers Club.

They will further explore the concepts of telling time, measuring and estimating volume and creating data displays, to name a few!

Integrated unit: This term students will explore the unit, 'Ties to Travel'. In this unit, students will discuss the concept of travel, the reasons why people like to travel and how we access the places we visit. Through investigation, students will explore how these forces act in air, water and on the ground.
