## TERM 4, 2019

Welcome back to our final term for Kinder. Term 4 holds many new experiences and learning opportunities for our students. Our integrated unit this term is 'Down on the Farm'. As part of this unit we will be travelling to Alstonville for our excursion to the Summerland House Farm. This is a great day full of fun and learning!

### Curriculum Overview Term 4

During Term 4 Kindergarten will be focusing on an integrated unit, 'Down on the Farm'. Students will explore different types of farms and how farms have changed over time from past to present. Students will be looking at old photographs, artefacts, videos, clips and listening to guest speakers share their experiences living on different types of farms in our local area.

The unit will also explore how family roles have changed over time on farms. Specific focus is on cropping and dairy farms where students will learn about different materials used for farming.

Maths: This term we will be consolidating and building upon previously taught Maths concepts. Some of these topics include; 3D shapes, volume and capacity and area. All Kinder children are working towards achieving their individual learning goals in Mathematics.

English: Our L3 (Language, Learning and Literacy) program continues in all Kinder classrooms during the morning sessions, providing rich literary experiences to assist all children to become successful readers and writers. Reading and writing activities are differentiated to ensure we are meeting the learning needs of each student. Groupings within our L3 classroom are flexible to reflect the children's varying levels of progress in all elements of English. Synthetic phonics will be explicitly taught at the beginning of each morning session.

Growth Mindset: We will continue developing a Growth Mindset in Kinder by focusing on changing our words to change our mindset. We will be supporting students to keep trying, embrace challenges, take advantage of mistakes made and adopt the 'power of yet!'

In Kinder we will continue exploring the language of learning with a growth mindset and supporting the children to understand the words chosen to describe an effective lifelong learner.

A good learner is:

- brave
- gritty
- engaged
- creative
- connected
- self-aware

**School Fees**

This is a reminder that school fees can still be paid through our online payment portal. This is a secure payment page hosted by Westpac.  
 Log onto our school site at:- [www.wyrallahrd-p.schools.nsw.edu.au](http://www.wyrallahrd-p.schools.nsw.edu.au)  
 Click on "Make a Payment" and follow the prompts to make a payment via Visa or MasterCard. You can find more information about online payments on our website.  
 Although voluntary, school fees are a vital part of our budget each year and pay for essential items in classrooms.  
 At WRPS our voluntary fees are \$55 per student, \$100 for two children or \$130 for a family of 3 or more children.  
 If paying online does not suit, you can also pay in person at the front office (EFTPOS or cash) or write a cheque made out to Wyrallah Road Public School.  
 Thank you to the parents that have already paid these fees, your contribution is appreciated.

**Glimpses of Term 3**

it's okay to not know.  
  
 it's not okay to not try.

*We are looking forward to the last term of Kindergarten with your amazing children. We are so proud of their progress and development in their first year of Kindergarten!*
