Dear Parents and Carers,

Home learning packs have been distributed to all families via email. Please note that these packs contain the same learning material that will be delivered at school for students in attendance. Home learning packs are available for collection from the school office for those families without email addresses.

We genuinely appreciate the patience and understanding of all families in waiting for these home learning packs to arrive.

Thanks is extended to the amazing teaching and support staff at the school who have worked incredibly hard in ensuring that these packs provide quality learning opportunities for our students. We would also like to acknowledge the Department and the support that has been provided in assisting schools in this process.

Regards,  
Mark Scotton (Principal)
