

Get involved in the School Banking program.

THANK YOU to the parents who attended the School Banking Parent Information Session on 23rd March. Your children's Dollarmites wallet and deposit book will arrive in the mail shortly. Remember, School Banking day is on MONDAY.

If you were unable to attend and you would like your child/ren to participate in the School Banking program, please see the details below on how to open a Youthsaver account.

School Banking is a fun, interactive and engaging way for young Australians to learn about money and develop good savings habits. Children who deposit money into their Youthsaver account through School Banking earn Dollarmites tokens, which they can save up and redeem for exciting rewards.

The rewards available during 2018 are:

- Twister Power Handball
- Secret Scratch Pad
- Sparkle Glitter Pens
- Glow Light
- Mighty Boom Handball
- Heat Reactor Pencils
- Slushie Maker Cup
- Zoom Flying Disc

School Banking is also a great fundraiser for our school. Our school receives a Regular Savers Contribution of \$5 for every 10 deposits processed per student as well as an Annual Contribution which is based on the number of students who made at least one School Banking deposit in the prior year.

Getting involved in School Banking is easy!

All you need to get involved in the School Banking program is a Commonwealth Bank Youthsaver account. You can open an account for your child in one of two ways:

1. Online

Visit commbank.com.au/schoolbanking and click on the link to open a Youthsaver account.

2. In branch

Visit a Commonwealth Bank branch with identification for yourself and your child, like a driver's licence and birth certificate.

If your child has an existing Commonwealth Bank Youthsaver account they can start banking straight away. They just need to bring their deposit in every week on School Banking day using their Dollarmites deposit wallet.

School Banking day is MONDAY. Students need to hand their books to their classroom teacher. The banking will be processed and books returned at the end of the day.
