

REGIONAL SWIMMING CARNIVAL - KEMPSEY

The North Coast Regional Swimming Carnival was held last Wednesday. Thirteen Wyrallah Road students travelled to Kempsey to represent the Northern Rivers Zone. This number also included three school relay teams.

The relay teams were up against some very stiff competition with the teams finishing in the following positions:

Senior Girls: 9th

Senior Boys: 8th

Junior Girls: 8th

Individually our students performed well with the boys and girls enjoying the chance to compete against the best in the region.

Tylah continued to impress, winning all her 50m age races and placing third in the Open 200m Medley. Tylah was named 11 Years Girl Champion and will travel to Sydney at the end of the term to compete in the State Carnival.

Well done to all our swimmers.
