

The Westpac Rescue Helicopter Service visited us as part of the Schools Program!

As a reward to students for participating in the program, the crew of the Westpac Rescue Helicopter came to talk to us about their important community work. Westpac are now offering parents the chance to win a scenic helicopter flight for four persons in total. This is a special competition for those lucky schools like us who recently received a Westpac Rescue Helicopter landing.

For more details about the competition and to register your interest, visit westpacrescue.com.au/register-to-win/
