Any students who have hired a guitar are asked to leave it with me after tomorrow's session (should any Guitar Group member with a hired guitar not be attending tomorrow, I ask them to bring their guitar to me Tuesday morning. All \$20 deposits will be returned this week after I receive the hired guitar). May I also take this opportunity to thank all the students who attended Guitar Group this year and also thank their families for their on-going support of this program. Guitar Group will be back again Term 1, 2011. Have a musical Christmas!

P&C NEWS:

Notice of Special P&C Meeting - We will be holding a special P&C meeting on Tuesday, 7th December at 7pm, at the Lismore Workers Golf Club Chinese Restaurant to discuss and decide upon contractors for the proposed Multi Purpose Sport Surface. This meeting will commence at 7pm sharp.

Christmas Raffle reminder – Our annual Christmas Raffle will be drawn at this Friday's assembly. Please make sure you have your tickets and money returned to the office by Thursday. If you could also drop your items for the raffle into the office by Thursday morning, this will allow the P&C ladies time to put the prizes together. We would like to again encourage all parents to complete a submission supporting your child's future; go online or fill out the form attached to last week's newsletter and send it into the school office.

Sandy Archibald, P&C Secretary

BANKING NEWS:

Congratulations to all the children who received their backpacks and gifts that they were saving for. Could you please send in your tokens with your child's banking on Friday, 10th December which will be the last day of banking for the year? I would like to say thankyou to all those children who have continually banked throughout the year and also a big thankyou to my helpers – **Corinne, Jess, Tash and April**. Without your help, it would have been impossible. Continue to save your tokens as the reward program will continue next year. Have a wonderful Christmas and see you at banking in 2011.

Banking Roster for 10th December: **Narelle Passlow and Jess Pagotto**

INTENSIVE SWIMMING:

The Intensive Swimming Program has now come to an end. I would like to congratulate all the children involved on the tremendous effort that they put in throughout the two weeks. It was great to see the improvements that they all made. All the swimming teachers were impressed with the children's behaviour and attitude. The children involved in the program will all receive a certificate stating their level of attainment.

ELLIE GILCHRIST – NSW GIRLS' CRICKET CARNIVAL:

In first term, I was lucky enough to be selected in the North Coast Girls' Cricket Team. Last week my family and I drove down to Gosford to play for the North Coast Team in the state Championships. We stayed for 4 days and played 2 games each day. Unfortunately, my team didn't win any games except for the last game, although all of the games were really close. None of the members from my team got in the state team, but we all played extremely well. I also made some great friends down there and had a great time!
