What a wonderful evening!!!! Thank you so much to parents, staff and students who, by your presence, made the evening so successful. Special thanks to Cherron Cameron and her band of workers for the incredible organisation which ensured the night ran extremely smoothly. Thanks also to Doug and Ray for their contribution above and beyond their duties.

BACK FIELD

Work is well under way to re-develop our back field so that it will be available for most parts of the year, especially after rain. Please refrain from accessing the school through the back field as the machinery, when operating, is extremely dangerous.

P&C NEWS:

Back Field Progress:

The back field upgrade is coming along. Unfortunately, due to the ground being wet underneath, the process has taken longer than expected. Once completed, the field will be useable by all students and teachers for all activities. Patience is required during the upgrade process as it is considered unsafe for this area to be used as a walkway to houses. While the upgrade is being completed, we ask that you avoid using the area. Thank you for your co-operation.

Thank you!

I had planned to thank everyone individually for their contribution to Friday nights Christmas Fair, but after about a page of names with many more to go I realised that wouldn't work. The newsletter would be 10 pages long.

So, without naming anyone, you know who you are,
thank you, thank you, thank you!

Many people worked hard to put the fair together, both beforehand (months of planning) and on the day/evening. The school community really came together and I think we showed what can be achieved when students, teachers, staff and parents work alongside each other. It's pretty spectacular and as a whole,
our school community should be proud!

SCHOOL BANKING NEWS:

WIN A MINI IPAD!!

Commonwealth Bank is now running an exciting new competition that **ALL** students can participate in. If you make a deposit through the School Banking Program between 19 November and 14 December 2012 you will automatically go into a draw to win one of 12 mini I pads. Just bring in your deposits on a Friday and I will do the rest for you.

Don't forget that FRIDAY is School Banking day and students should bring in their weekly banking deposit. For every deposit made at school, no matter how big or small, students will receive a cool silver Dollarmite token. Once students have individually collected 10 tokens, they can then be redeemed for the great, exclusive reward items listed below, in recognition of their continued savings behaviour. (Don't worry if you do not receive a token, I have them all recorded for you!) There are 9 great reward items available for students to choose from. These are:

Dollarmite Money Boxes - Addy, Cred, Pru, Spen & Pat the Dog;

Dollarmite Drink Bottle; Book Light; Pen Pod; and USB Drive
