CLASS PARTIES

All classes across the school will have class parties on Wednesday in Week 11 as a way to celebrate the students' hard work throughout the year. For the older students (3-6) this will happen at the Alstonville Pool. The younger grades (K-2) will remain at school. Some class teachers have requested students bring food to share. While we are a healthy school and actively teach healthy living, these parties deviate slightly from this message. All parties will have a selection of healthy food and we will encourage students to consume these foods. Teachers are aware of all food issues in cases where the school has been notified. However, if your child has an allergy or intolerance, please ensure that the school office and your child's teacher are aware of this. Also, any family not wishing their child to share food is welcome to provide a lunchbox for their child only. Again, we ask that this be communicated with the classroom teacher so that students are not accessing food they should not be consuming.

WRPS CHESS TOURNAMENT

48 children signed up at the start of the term for the WRPS chess tournament. In a knockout competition over six rounds, all the children played fairly and in good spirit. Stand-out players included Caitlin, David, Joel and Malakai. In the final, Thomas defeated Kaleb in two highly competitive matches. Congratulations to all competitors involved.

HELPING HANDS

Congratulations to Nicolai for being Helping Hands Student of the Month! Nicolai follows school rules and always displays the "fair is fun" attitude during play at Helping Hands. Great job Nicolai!

We are taking bookings for Vacation Care and our booking forms have arrived. They will be located in the school office and in the hall during Outside School Hours Care. The program has also been displayed in the Helping Hands display cabinet which is located outside the school canteen. Staff would like to remind parents that Kindergarten children commencing school in January 2016 are able to attend Vacation Care in the January school holidays.

GLORIOUS FOOD

Summer fruits are often the fruit children love the most and with scrumptious stone fruits, mouth-watering melons and beautiful berries on offer, who can blame them! A small container of mixed berries, sliced peach or nectarine or chopped melon makes a delicious Crunch and Sip treat. These soft fruits are also kind on wiggly teeth.
