COINS FOR KENYA

During November, the SRC will be encouraging students to bring in any spare silver coins they have at home as part of the yearly educational sponsorship Wyrallah Road Public School donates to MIA (Mission in Action) School for their sponsored African twins, Erik and Josphat.

On Friday, 1 December, we will attempt to fill a large map of Africa with all of the collected coins. The class that raises the most money will receive ice blocks as a reward for their great fundraising efforts. So let's get behind this year's Coins for Kenya fundraiser and help Erik and Josphat continue their schooling!

KINDERGARTEN 2018 ORIENTATION – DAY 1

Our first Kindergarten Orientation day was a huge success where children were able to meet the Kindergarten teachers and other students in the school. All of our new families excitedly toured the school grounds and Kindergarten classrooms. Children became familiar with classrooms and areas within the school and had a great time participating in pre-kinder activities.

Our second orientation day will be on Tuesday 21 November where the children will meet in the classrooms at 9.30am for another fun-filled day. These carefully planned orientation days are a vital component in making the transition from home to school enjoyable and exciting for both the children and their parents.

INTENSIVE SWIMMING

Congratulations to all the WRPS students from across Years 2 - 6 participated in the Intensive Swimming Scheme over the past two weeks. The students learnt invaluable water safety skills, water safety techniques and learnt exactly how important it is to act when near, around or in the water. Well done.

IRON
