**Incursion Information:**  
 Students will complete 4 rotational activities to enhance the planned learning experiences within classrooms during this term, as part of our integrated unit, 'Ready, Set Grow!'. Students will use microscopes to explore the external features of animals and plants and their changes as they grow. They will explore different environments that native animals live in and how those environments are providing for their needs.

**Equipment List:** Listed below is the essential equipment each student needs to have with them.

- Full school uniform including a school hat and covered footwear.

I hereby give consent to my son/daughter/ward \_\_\_\_\_  
 (Full Name)  
 of \_\_\_\_\_  
 (Class)

to participate in the Dorroughby Environmental Education Incursion.

*I accept that my child is expected to behave in an appropriate manner and I have explained this to him/her. I understand that any specific medical information held by Wyrallah Road Public School will be provided to the organising teacher. In the event of any accident or illness I authorise the teacher to obtain any medical assistance and/or ambulance that my child may require, including the administration of an anaesthetic if deemed necessary by the medical officer in charge.*
